Hongkong, Monday Evening. An unusually quiet day has been experienced turbauce among the Ohin so. This disturbance amounted to what could

charged ruther a strongs looking character, whose but to a stronge and unintelligible anxiety among name did not appear, with attempting to walk off the Chinese in regard to this institution. During Procedurer said that his master parobased forty the morning quite a number presented thombage of him yesterday, at the Quong-shing shop se'ves for the purpose of having their notes. and ordered him to have it token home, he ac- exchanged for dollars, and some depositors cordingly engaged ten coolies all of whom he are reported to have withdrawn their accounts. knows and is in the habit of employing const. What was the origin of this absurd action on the tantly. Prisoner came into the stop, slung two bags of rice, and was walking off when part of the Chinese it is difficult to say, some atprosecutor stopped him and asked him where tributing it to the result of the telegrams received he was going; he replied, "to the Tye-we shop." lately by the Summade from Shanghal, others to Prospenter let him go, but walked after him, and as sonn as he gut into the street, saw him run in a a report that the Indore had arrived on Sun lay direction opposite from the Tye-wo sleep, and on side and sent a bout on shore with news our make off as fast as the load carried would allow. faming these to eroms. There scous to have Prosecutor followed and told him to come the heen great anxiety on Sunday, since it is on his way, so he was given in charge to a constaon that day disposed of ut a discount of Prisoner stated that he is a new comer in the 3, 5 and 6 and even as high as 6 per cent, colony, and was told by a man named Alung, to but thus for the uncosinessa scene to have been Prosecutor says there is no such a man cm. confined to a comparatively limited number, and played by his master, and he himself knows no one it is more than probable that the whole affair has originated from the circulation of reports One of the coolies who was noteably amployed and rumors that have not had the slightest to carry the rice, the whole affair not corres foundation. In view of all these fugts the arrival-The magistrate told prisoner that he had been of the new overdue a camer is looked for with inguilty of a most barefured attempt at robbery, and creased adxiety. The unfavourable weather, and he should send blin to good for three months with savere gale of the last two days has had a marker effect upon the Rice market, and to-day Water P. U. 175, a native of Cephalonia, was prices have advanced 15 and 20 cents per picul. charged by F. O. Barnard Esq. with using abu. This is due to the damage which is supposed to else language towards him, and refusing to reader have occurred to the incoming crop, it being in assistance to a person in danger of drawning when just such a condition as to be almost completely Mr. Barnard, said, about seven o'clock has ruined by a gale of any severity, but what damage evening I was walking along the Prays, and when has been actually done has yet to be known, and near Mesers. Bowra and Cu's premises, saw a two or three days must elapse before the extent aumber of Chinamen taying to hoist a funt up to which the crop has suffered can be reported y, higher, as I presumed for the purpose of swinging here, and in the mean time prices must be specua was one man in the boat and the reas were pulling lative. There has been a decided unwillingness
